Dear Mr. Klein:

The Central Platte Natural Resources District Board of Directors is in receipt of your letters dated December 9, 2003, December 11, 2003, December 15, 2003, January 9, 2004 and both letters of January 20, 2004.

As you know the Board of Directors and the Water Resources Committee have previously responded to the questions and concerns raised in your several letters regarding COHYST (see transcript of October 23, 2003 Water Resources Committee meeting, etc.)

The Board of Directors and the Water Resources Committee have also considered your other recommendations and requests and have decided not to implement them.

Sincerely
